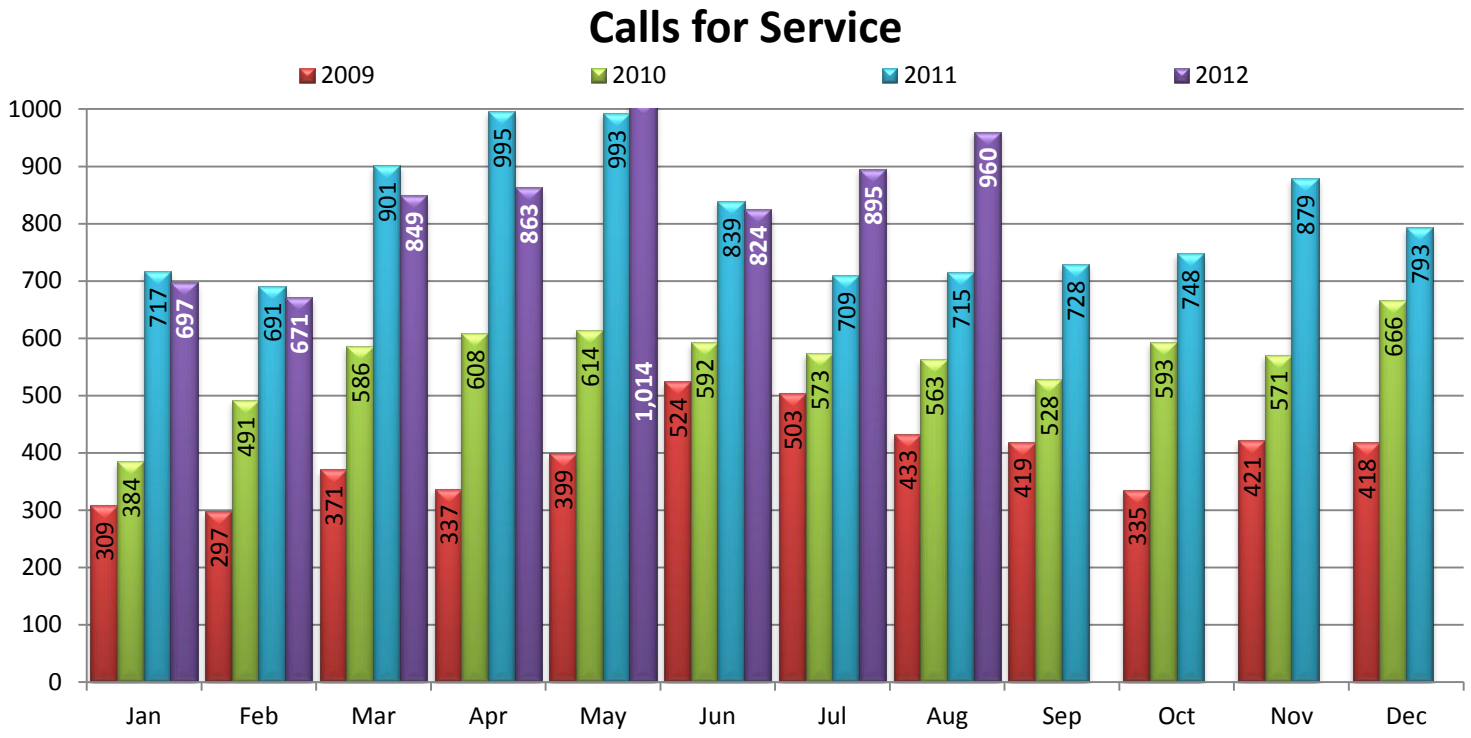
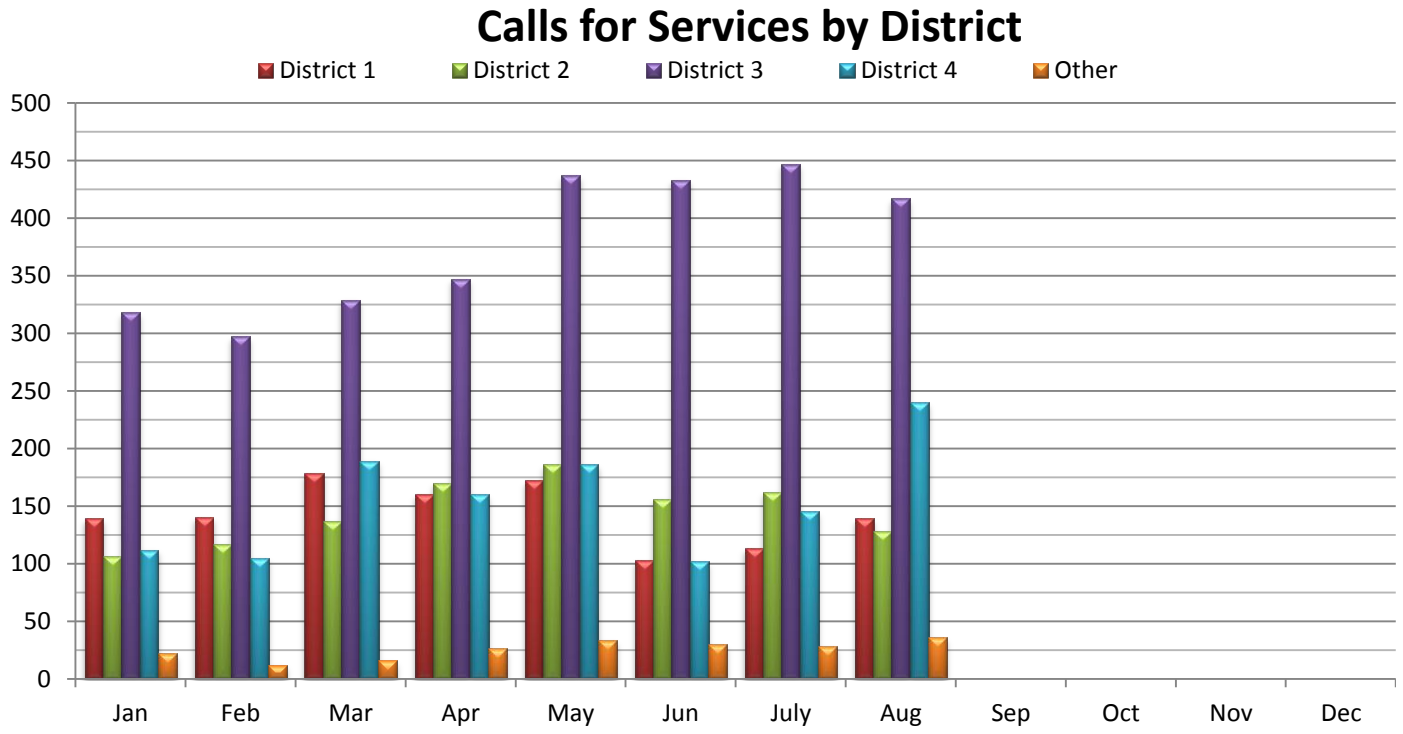
2012 Services

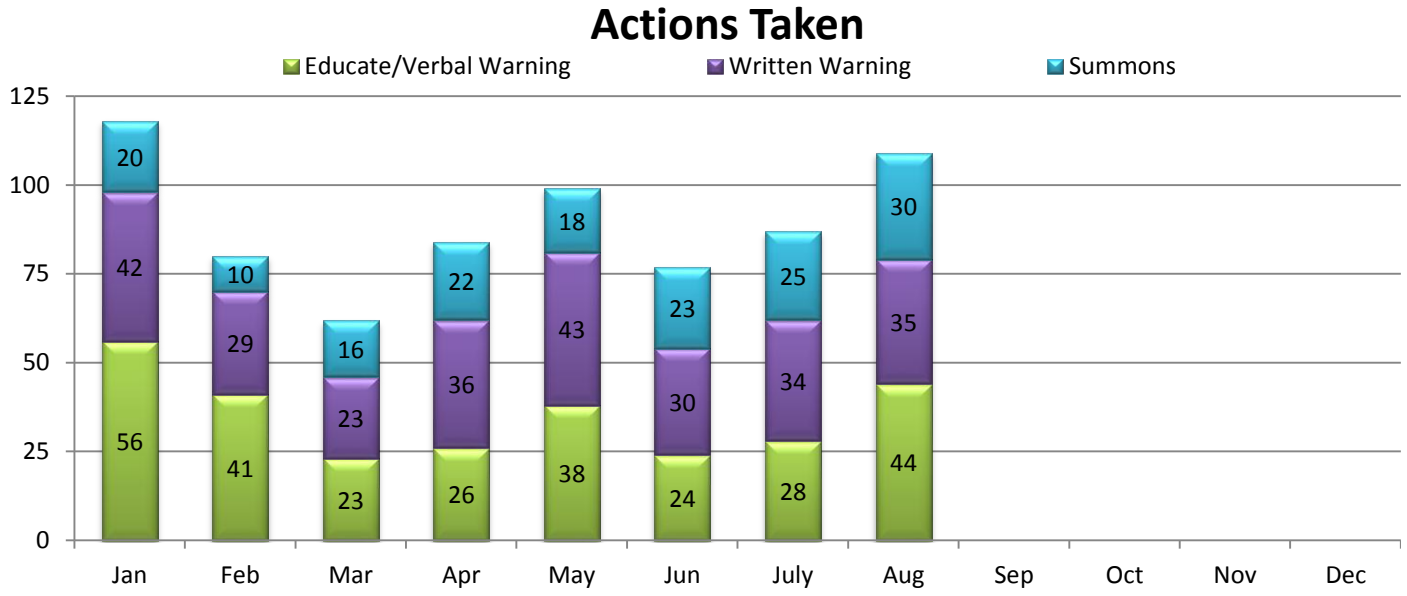
In August 2012, Animal Law Enforcement Officers responded to 960 calls for service to include: 55 dogs at large, 22 noisy pets, 453 animal license/rabies checks, 23 animal impounds, 11 bite cases and 5 aggressive animal. The Department investigated 35 complaints of animal cruelty and responded to 9 animal rescues.



Centennial Animal Services has responded to 6,773 calls for service YTD –1144 in District 1, 1162 in District 2, 3,025 in District 3, 1,239 in District 4, and 203 outside of the City. Districts 3 will typically reflect a higher number of calls for service due to activities that are completed at the Centennial Municipal Building.

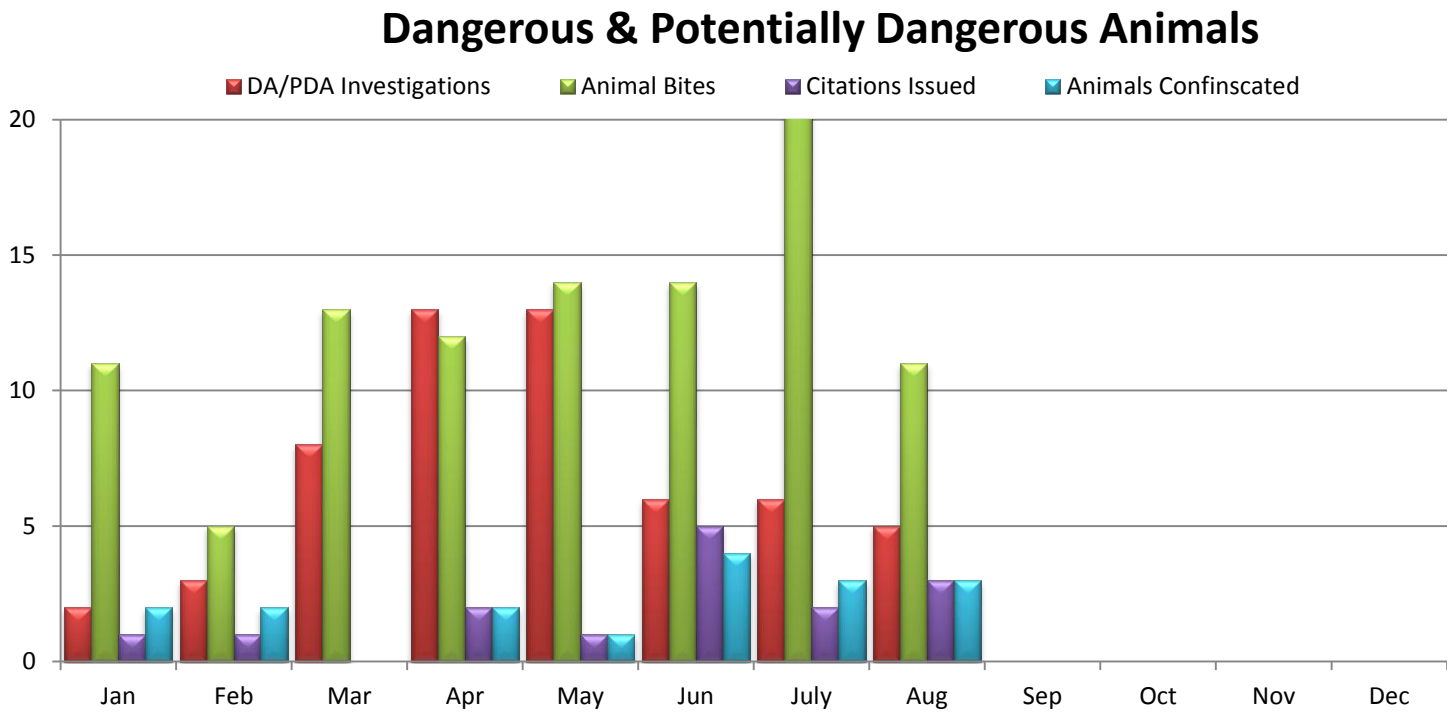


Attempts to educate and mediate are most often the first method of resolution. When these techniques fail a written warning or summons and complaint may be issued. These methods help to reduce the number of repeat offenders, animals impounded, and more effectively manage long-term problems. The actions taken to enhance public safety and protect animal welfare have resulted in 280 education/verbal warnings, 272 written warnings, and 164 summons and complaints year to date.



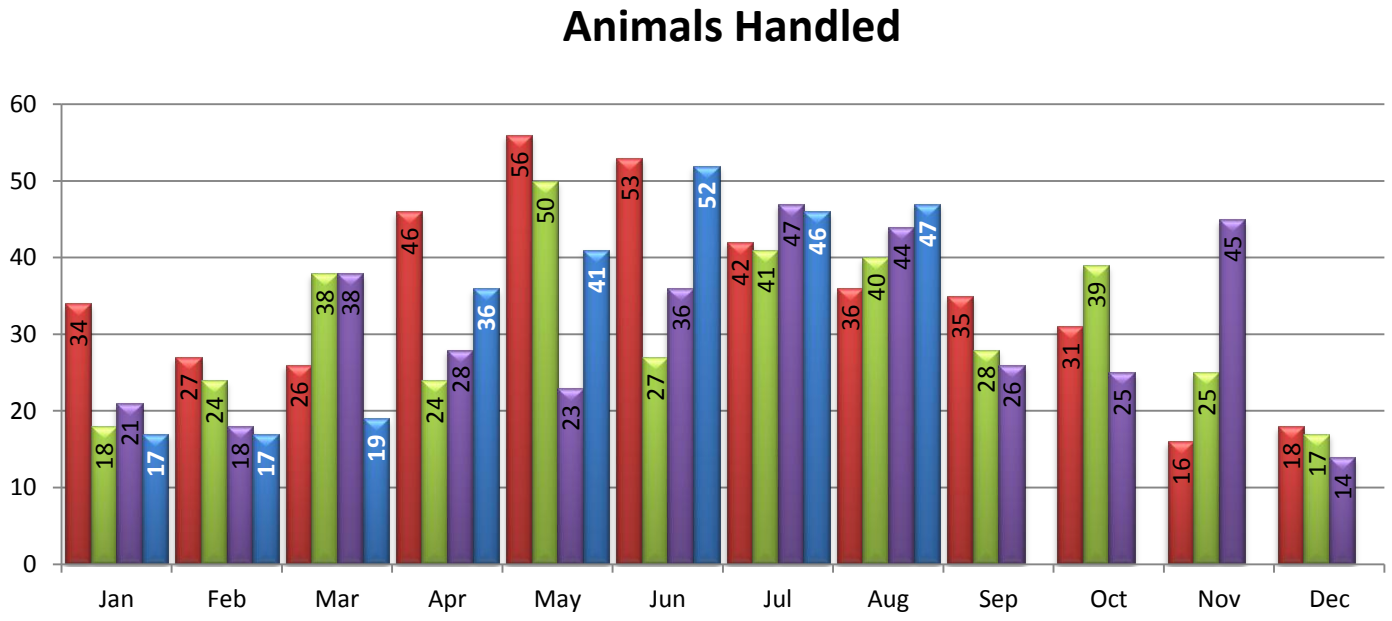
The term Dangerous or Potentially Dangerous Animal (DA/PDA) refers to any response that results from a report of a domestic animal displaying threatening behaviors (growling, hackles raised, baring teeth, chasing, charging), making aggressive physical contact with a person or domestic animal, or causing bodily or serious bodily injury. An animal bite occurs when a bite from a domestic or wild animal causes a break in the skin of a human. Every DA/PDA and animal bite is promptly investigated and appropriate action is taken.

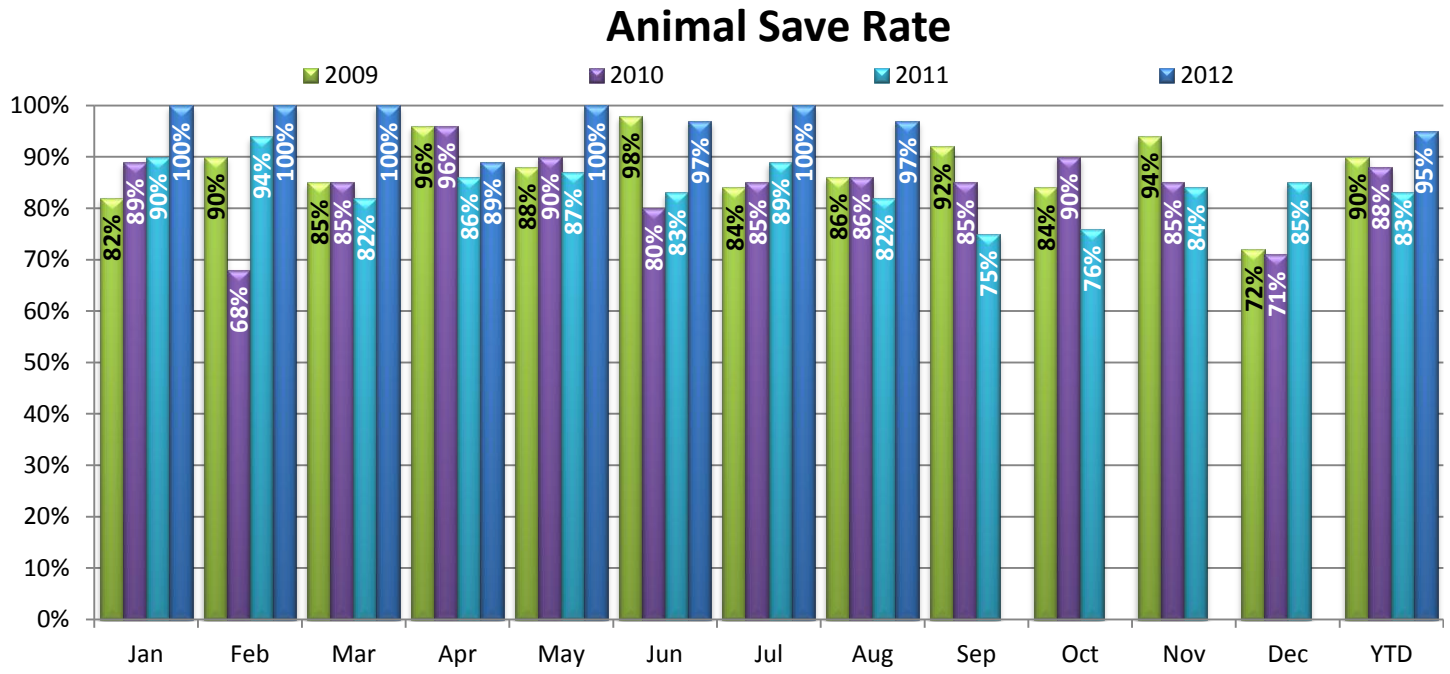
The numbers of DA/PDA Reports, Animal Bites, Citations Issued for DA/PDA, and Animals Confiscated as a result of citations issued are reported below. Year to date CAS has conducted 56 DA/PDA Investigation, processed 101 Animal Bites, Issued 15 DA/PDA Summons, and Confiscated 17 Animals.



Animals Handled

Year to date CAS has handled 275 animals: 199 Dogs, 32 Cat, 35 wild animals, and 8 Others. The year to date animal live release rate is 97% (excludes wildlife).

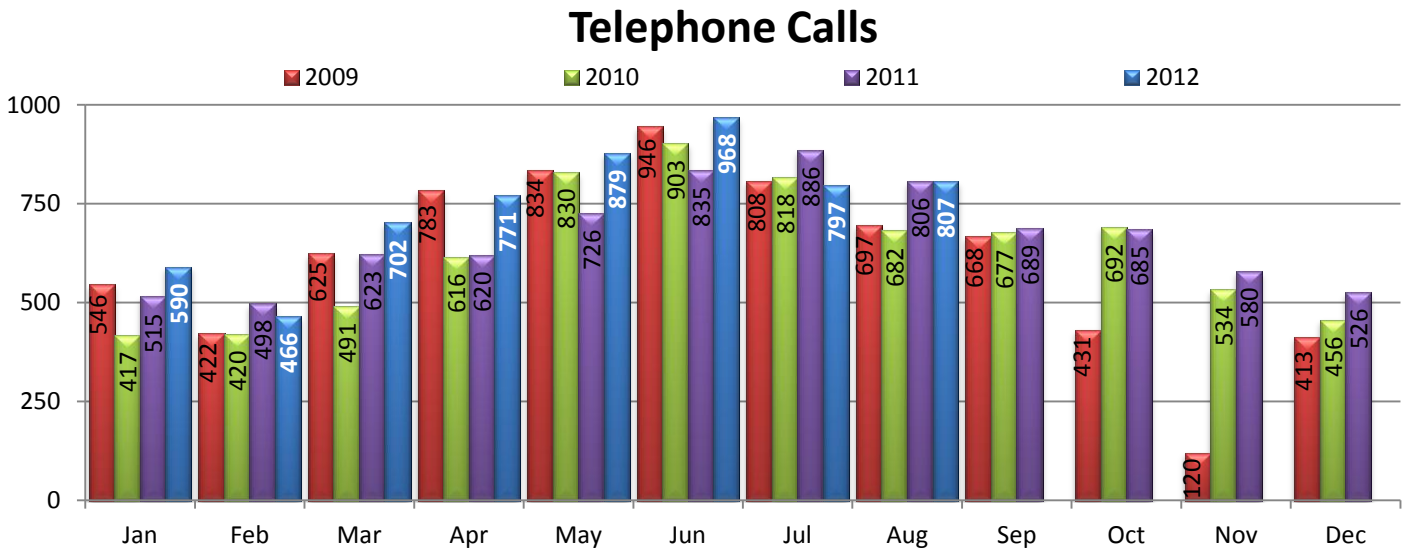


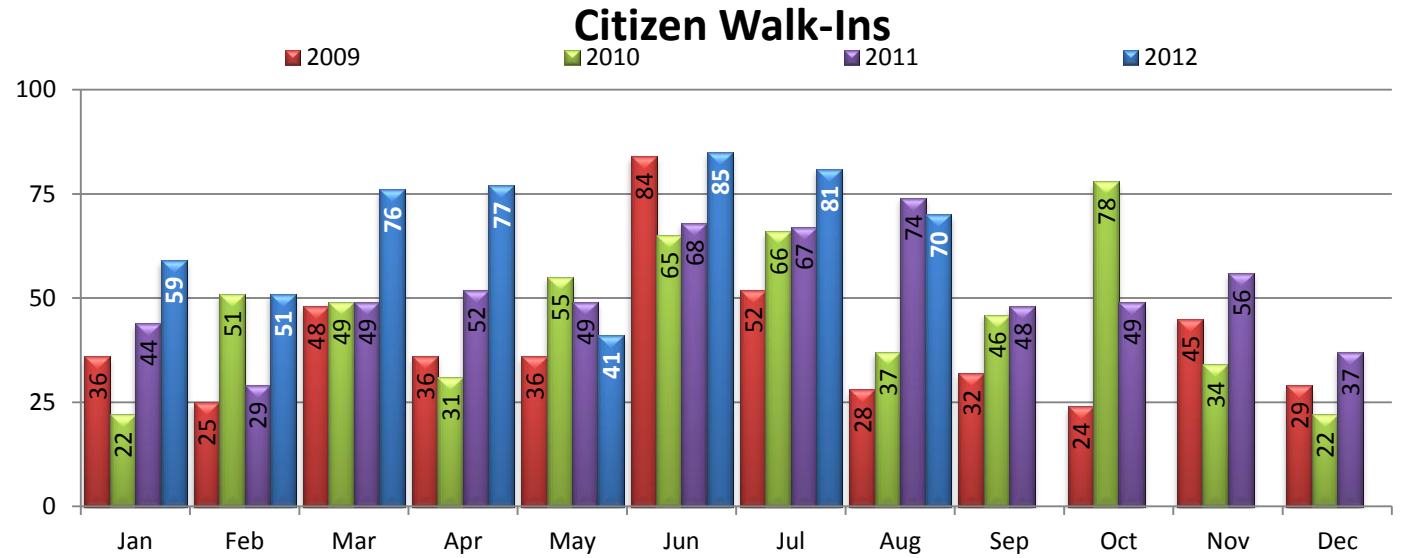


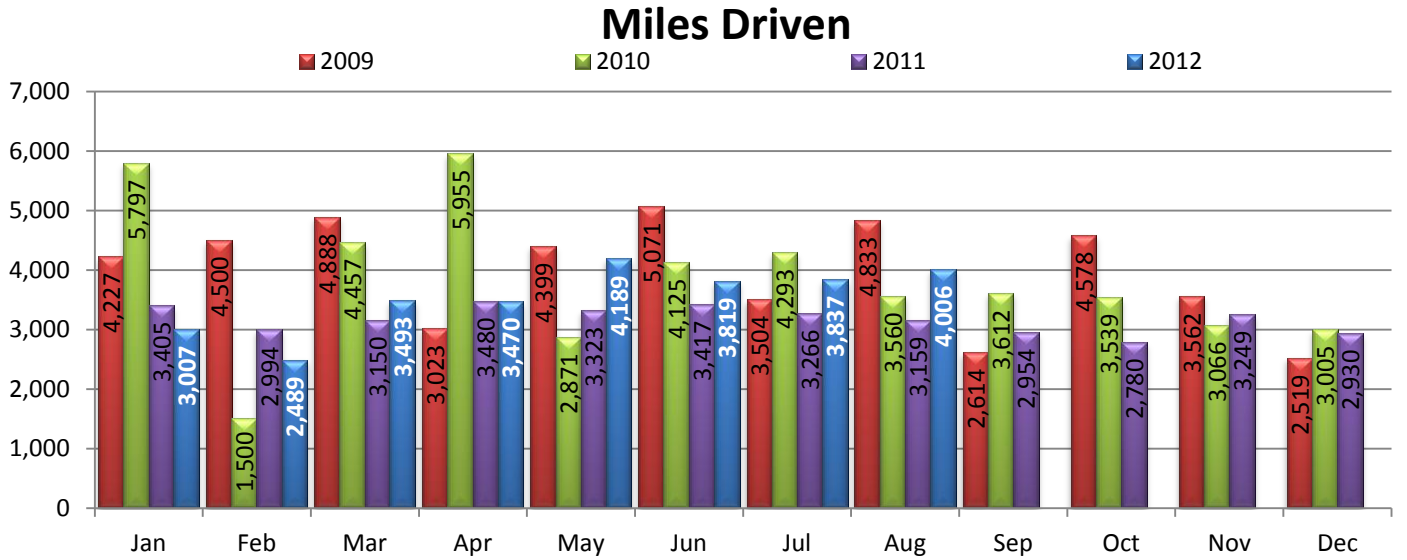
During 2009 thru 2011 Save Rate was calculated by dividing the number of animals returned to owner in the field and at from the kennel and animals adopted by total number of animals impounded. This number of animals impounded includes animals that were deceased at the time of impound. As of January 2012 Asilomar Accords is being used to determine Live Release Rate. See www.asilomaraccords.org for guiding principles, definitions, statistics and formulas.

General Information

A total of 5,980 telephone calls have been received, 540 citizens have visited the Centennial Municipal Building to conduct business with CAS, and the Department has driven a total of 28,310 miles without accident or injury.







Revenue

CAS has generated total revenue of $64,144.52 year to date.
