City of Centennial

RESIDENTIAL DUMPSTER PERMIT
TERMS AND CONDITIONS

1. **Regulations**:
   Residential Dumpster Permits are issued and enforced in accordance with the City of Centennial Municipal Code, Article 5, Section 7-5-10 through Section 7-5-90.

2. **Placement of Dumpsters**:
   a. Dumpsters are only allowed to be placed where vehicular parking is permitted
   b. Dumpsters must be placed within 18 inches of the curb or edge of shoulder.
   c. Do not block, impair or interfere with the use of sidewalks or pedestrian ways.
   d. Do not block, impair or interfere with motorist visibility at any intersection.

3. **Removal of Dumpsters:**
   a. No dumpster shall remain for more than seven (7) consecutive days after it is placed. No extensions shall be permitted.
   b. Dumpsters shall be removed within 24 hours after they are filled to capacity.

4. **Maintenance:**
   a. Maintain at all times two (2) or more pylons, traffic cones or other type of markers at the dumpster corners to alert approaching motorists.
   b. Prohibit the placement of and promptly remove junk, trash, or materials outside or adjacent to the dumpster.

5. **Post Permit:**
   Securely and prominently affix a copy of the permit on each end of the dumpster.

6. **Damage to the Street:**
   Notify the City in writing of any damage to the public right-of-way to include curb, gutter, sidewalk and street pavement that is caused by placement or removal of the dumpster.
