Calls for Services by District

Attempts to educate and mediate are most often the first method of resolution. When these techniques fail a written warning or summons and complaint may be issued. These methods help to reduce the number of repeat offenders, animals impounded, and more effectively manage long-term problems. The actions taken to enhance public safety and protect animal welfare have resulted in 323 education/verbal warnings, 232 written warnings, and 158 summons and complaints year to date.

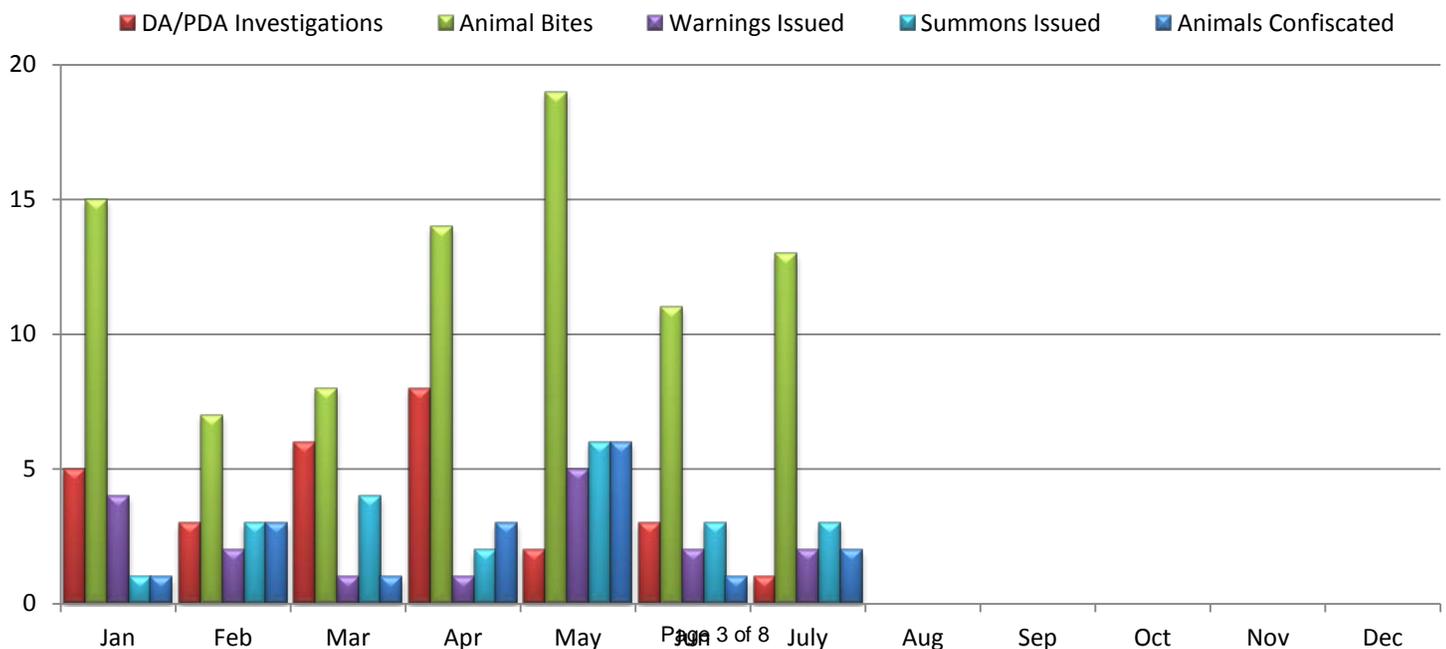

Actions Taken

The term Dangerous or Potentially Dangerous Animal (DA/PDA) refers to any response that results from a report of a domestic animal displaying threatening behaviors (growling, hackles raised, baring teeth, chasing, charging), making aggressive physical contact with a person or domestic animal, or causing bodily or serious bodily injury. An animal bite occurs when a bite from a domestic or wild animal causes a break in the skin of a human. Every DA/PDA and animal bite is promptly investigated and appropriate action is taken.

The numbers of DA/PDA Reports, Animal Bites, Citations Issued for DA/PDA, and Animals Confiscated as a result of citations issued are reported below. Year to date CAS has conducted 28 DA/PDA Investigation, processed 87 Animal Bites, Issued 22 DA/PDA Summons, Issued 17 Warnings and Confiscated 17 Animals.

This number of animals impounded includes animals that were deceased at the time of impound. As of January 2012 Asilomar Accords is being used to determine Live Release Rate.
