These methods help to reduce the number of repeat offenders, animals impounded, and more effectively manage long-term problems. The actions taken to enhance public safety and protect animal welfare have resulted in 311 education/verbal warnings, 162 written warnings, and 96 summons and complaints year to date.

The term Dangerous or Potentially Dangerous Animal (DA/PDA) refers to any response that results from a report of a domestic animal displaying threatening behaviors (growling, hackles raised, baring teeth, chasing, charging), making aggressive physical contact with a person or domestic animal, or causing bodily or serious bodily injury. An animal bite occurs when a bite from a domestic or wild animal causes a break in the skin of a human. Every DA/PDA and animal bite is promptly investigated and appropriate action is taken.
