Calls for Services by District

Attempts to educate and mediate are most often the first method of resolution. When these techniques fail a written warning or summons and complaint may be issued. These methods help to reduce the number of repeat offenders, animals impounded, and more effectively manage long-term problems. The actions taken to enhance public safety and protect animal welfare have resulted in 184 education/verbal warnings, 173 written warnings, and 86 summons and complaints year to date.

Actions Taken

The term Dangerous or Potentially Dangerous Animal (DA/PDA) refers to any response that results from a report of a domestic animal displaying threatening behaviors (growling, hackles raised, baring teeth, chasing, charging), making aggressive physical contact with a person or domestic animal, or causing bodily or serious bodily injury. An animal bite occurs when a bite from a domestic or wild animal causes a break in the skin of a human. Every DA/PDA and animal bite is promptly investigated and appropriate action is taken.

The numbers of DA/PDA Reports, Animal Bites, Citations Issued for DA/PDA, and Animals Confiscated as a result of citations issued are reported below. Year to date CAS has conducted 39 DA/PDA Investigation, processed 54 Animal Bites, Issued 5 DA/PDA Summons, and Confiscated 7 Animals.

Dangerous & Potentially Dangerous Animals

Animals Handled

Year to date CAS has handled 130 animals: 101 Dogs, 9 Cat, 14 wild animals, and 6 Others. The year to date animal live release rate is 96% (excludes wildlife).

During 2009 thru 2011 Save Rate was calculated by dividing the number of animals returned to owner in the field and at from the kennel and animals adopted by total number of animals impounded. This number of animals impounded includes animals that were deceased at the time of impound. As of January 2012 Asilomar Accords is being used to determine Live Release Rate. See www.asilomaraccords.org for guiding principles, definitions, statistics and formulas.

General Information

A total of 3,408 telephone calls have been received, 304 citizens have visited the Centennial Municipal Building to conduct business with CAS, and the Department has driven a total of 16,648 miles without accident or injury.
