

Support for Students and Families of Arapahoe High School

Walk-in and Call-in Counseling Support Center

December 15, 2013.

Arapahoe Douglas Mental Health Network has opened its Santa Fe House location as a walk-in/call-in counseling support center to support the students and families of Arapahoe High School. We encourage families to accompany all students. Parents must accompany students 14 and under.

Disaster counselors are available to meet with students and families affected by the Arapahoe High School incident. Arapahoe Douglas Mental Health Network's walk-in/call counseling support center is open from 10am-7pm daily until further notice for individuals who would like counseling support.
