Notes:

- (1) Market Value represents the price a security would sell for on the open market as of the date of this report. These values fluctuate based upon current market conditions. All securities purchased by the City are purchased with the intent of holding them to maturity, which would result in the City earning the stated yield to maturity.
- (2) All investments have been made in compliance with the City's Investment Policy. All holdings have been verified against reports provided by Wells Fargo Bank, administrator of the City's third party safekeeping custodial account.
- (3) Amounts disclosed on this document are supported by reports created and issued by several financial institutions. Said reports are available for review upon request.
