

CAPITAL IMPROVEMENT PROGRAM

Capital Improvement Program Overview

The City of Centennial Capital Improvement Program (CIP) is comprised of three funds: Capital Improvement Fund, Open Space Fund, and Conservation Trust Fund. The program is coordinated by the Public Works Department, while individual projects are managed by members of the Public Works Department and its contractors, Community Development Department, Facilities & Fleet, and the City Manager's Office.

The CIP includes a ten-year plan developed to meet the needs for new infrastructure, replacement of existing infrastructure, and capital projects throughout the community. The plan is developed using the strategies set forth in the City's Transportation Master Plan.

The Capital Improvement Fund is used for the City's transportation and safety infrastructure as well as the major maintenance of City facilities (such as the Civic Center) that are owned by the City. Funding typically comes from the City's General Fund revenues along with grants.

The Open Space Fund and the Conservation Trust Fund work in tandem to fund the maintenance and enhancement of the City's network of parks, open spaces, and trails. The Open Space Fund revenue is generated by the Arapahoe County Open Space Tax, which restricts how funds may be used. The Conservation Trust Fund is funded by the State lottery program and is also restricted in its uses.

The City of Centennial currently has far more capital needs than resources to fund them. More than 80 percent (80%) of the land within the City is currently developed and much of the infrastructure has been in place for more than 25 years. Through proper assessment, and planning and development of a Capital Improvement Program, the most critical needs are identified and prioritized through an objective and open process. City funds are also supplemented by other funding supplied by grants and partnerships. These other funding sources are actively pursued by the City to allow a leveraging of the City's money to benefit the City.

A separate summary for each project included in the 2017 Budget is included on the following pages. Each project summary contains information pertaining to the project including other funding sources and operational and maintenance costs. The incremental cost of operating and maintaining new capital assets is noted on individual project sheets, if applicable. The City contracts many maintenance services and is unable to determine the per project maintenance cost due to the lump sum nature of the contract. Additionally, the City partners with recreation districts for many of the parks, open space and trails projects; in these cases the City is not responsible for the operating and maintenance costs of the asset.

CAPITAL IMPROVEMENT FUND

The Capital Improvement Fund (CIF) revenue is primarily generated through a transfer from the General Fund. Other revenue includes grants, developer contributions, and pavement restoration fees from the Public Works right-of-way permitting program. Projects in the CIF are generally related to the construction and rehabilitation of the City street network (including pavement, concrete and traffic signals). In addition to these projects, general capital projects related to the Civic

2017 Expenditures Capital Improvement Fund

This graph illustrates the percentage of this function's expenditures to the operating budget of all fund types.

Capital Improvement Fund Budget Summary by Budget Category

	2015 Actual	2016 Adopted	2016 Revised	2017 Proposed	2016 Adopted/ 2017 Budget	
					\$ Chg	% Chg
Other Services & Supplies	\$ 319,765	\$ 325,000	\$ 732,000	\$ 1,611,000	\$ 1,286,000	395.7%
Capital Outlay	14,390,991	15,565,000	55,163,910	14,840,000	(725,000)	-4.7%
TOTAL	\$ 14,710,756	\$ 15,890,000	\$ 55,895,910	\$ 16,451,000	\$ 561,000	3.5%

Overview: Projects in the CIF are generally managed by staff in the Public Works Department, but staff in other departments may also manage projects in the fund. Overall program and fund coordination is provided by the Engineering Division of the Community Development Department, along with members of the Finance Department and the City Manager's Office. Project selection and recommendations are prepared by the City's Capital Improvement Program (CIP) Committee, which is comprised of City Staff.

The largest portion of the CIF is the City's pavement management program, which is responsible for projects that extend the life of the City's street network. The City has a goal of establishing and maintaining a high Pavement Condition Index (PCI) rating of the City's streets. In order to accomplish this goal, annual funding must be provided for pavement and concrete rehabilitation work.

Prior-Year Accomplishments:

City Services

- Maintained a "Good" pavement condition index in the 70 to 80 range through effective use of various roadway treatments.
- Substantially completed construction of the Arapahoe Road - Waco Street to Himalaya Way widening project.
- Constructed new infill sidewalk on Yosemite Street, south of Arapahoe Road.
- Completed the City's first Intelligent Traffic Systems (ITS) Master Plan.

Community Quality of Life/Citizen Engagement

- Continued outreach programs to inform citizens of significant pavement rehabilitation programs.
- Continued to respond within two business days to citizen concerns and requests related to ongoing or proposed CIP projects.

Economic Health

- Completed all CIP projects within established budgets.
- Proactively investigated and applied for all eligible grants.

Environment

- Utilized heater-repave construction process for the mill and overlay of Buckley Road, south of Smoky Hill Road, which recycled existing pavement materials, resulting in reductions in the City's carbon footprint and preservation of natural resources.

 Performance Measurement:	Expected / Historical Average:	2016 Estimated:	2017 Projected:
Centerline Street Miles Reconstructed:	<ul style="list-style-type: none"> ▪ 0.79 	<ul style="list-style-type: none"> ▪ 1.0 	<ul style="list-style-type: none"> ▪ 0.5
Centerline Street Miles Mill & Overlay:	<ul style="list-style-type: none"> ▪ 15.38 	<ul style="list-style-type: none"> ▪ 15.0 	<ul style="list-style-type: none"> ▪ 18.0
Centerline Street Miles Surface Treated:	<ul style="list-style-type: none"> ▪ 12.83 	<ul style="list-style-type: none"> ▪ 10.0 	<ul style="list-style-type: none"> ▪ 12.0

Goals and Objectives:

- Continue to update and monitor formal performance measures for the CIP program.
- Maintain a pavement condition index in the 70s through effective use of various roadway treatments.

- Continue outreach programs to inform citizens of significant pavement rehabilitation programs.
- Continue to respond to citizen concerns and requests related to ongoing or proposed CIP projects within two business days.

- Complete all CIP projects within established budgets.
- Proactively investigate and apply for all eligible grants.

- Investigate pavement recycling materials and other innovative applications to be used as part of the annual program.

2017-2021 Capital Improvement Program

Project Name: General Transportation Studies

Project Type: Professional Services

First Show n in CIP: 2012

Council District: All

Project Description: One time transportation studies and/or participation in transportation systems studies with other agencies and jurisdictions.

Goals Met: Quality of Life, Economic Health, Environment

ESTIMATED FUNDING SCHEDULE:

	Prior Funding	2017	2018	2019	2020	2021	TOTAL
Design and CM:	\$ 250,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 500,000

Annual O&M Impacts: New sidewalk will be maintained through the City's existing General Fund contracts.

PROJECT LOCATION:

OPEN SPACE FUND

In 2003 and 2011, voters approved a county-wide ¼ cent sales tax to pay for the preservation of open space in Arapahoe County. Collection of the sales tax began January 1, 2004 and is set to expire December 31, 2023. Fifty percent (50%) of the collected funds are given to municipalities on the basis of population. Funds may be used to acquire open space or park land and make improvements to parks and

2017 Expenditures Open Space Fund

This graph illustrates the percentage of this function's expenditures to the operating budget of all fund types.

Open Space Fund Budget Summary by Budget Category

	2015	2016	2016	2017	2016 Adopted/ 2017 Budget	
	Actual	Adopted	Revised	Proposed	\$ Chg	% Chg
Personnel Services	\$ 29,175	\$ 80,000	\$ 130,825	\$ 80,000	\$ -	0.0%
Other Services & Supplies	239,243	210,000	210,000	210,000	-	0.0%
Capital Outlay	818,825	1,685,000	6,701,754	1,330,000	(355,000)	-21.1%
TOTAL	\$ 1,087,243	\$ 1,975,000	\$ 7,042,579	\$ 1,620,000	\$ (355,000)	-18.0%

Prior Year Accomplishments:

City Services

- In conjunction with the City's Parks and Recreation providers, the Open Space Program has resulted in the construction and enhancement of numerous trails, parks, and open space projects and has enhanced the neighborhoods and recreational services available to residents.

Community Quality of Life/Citizen Engagement

- Implemented a number of projects that expanded access and availability of parks, trails and open space to citizens.
- Contributed funds to our two major Parks and Recreation Districts to implement various trail, park and recreational amenities.
- Created a grant program to provide funds for local metropolitan districts to improve neighborhood parks.

Economic Health

- Continued our partnership with Arapahoe County to explore potential alternative uses for the Dove Valley Regional Park.
- Continued partnerships with working groups to build lasting relationships.
- Started the Open Space Master Plan update.

Environment

- Continued acquisition and improvements of open spaces to advance environmental stewardship, values, and citizen access to natural open lands.
- Trail development, such as planning and design of the Lone Tree Creek Trail which provides enhanced options for non-motorized transportation and reduces fossil fuel consumption.

Goals and Objectives:

City Services

- The Open Space Program will continue to support the construction and enhancement of numerous trail, park and open space projects to enhance the quality of neighborhoods and recreation services available to residents.

Community Quality of Life/Citizen Engagement

- Continue to partner with other agencies to acquire open space, construct trails, update park amenities and enhance recreational opportunities consistent with the goals and needs identified in the updated Parks, Open Space, Trails and Recreation Master Plan
- Continue working on the Lone Tree Creek Trail with completion set for 2017.
- Continue to look for new opportunities that are impactful to our citizens.

Economic Health

- Continue to maintain a lean, transparent, responsive, and fiscally responsible division operating within budget. C
- Continue to use existing City funding sources to leverage grants from state and local sources to support and expand park, open space, and trail projects.

Environment

- Continue acquisition and improvement of open spaces to advance environmental stewardship, values and citizen access to natural open lands.
- Continue trail development, such as Lone Tree Creek and other trails to enhance options for non-motorized transportation and reduce fossil fuel consumption.

2017-2021 Capital Improvement Program

Project Name: Parker Jordan Open Space Maintenance

Project Type: Parks and Trails

First Show n in CIP : 2010

Council District: 3

Project Description: This item covers the City's portion of the annual maintenance for the 107 acre Parker Jordan Centennial Open Space property located near Cherry Creek and E. Broncos Parkway. The Parker Jordan Metro District covers 50 percent (50%) of the cost.

Goals Met: City Services, Quality of Life

ESTIMATED FUNDING SCHEDULE:
