

Stakeholders/Project Responsibility

◆ Who is participating in this project?

- ◆ The City of Centennial is leading the project with participation by many stakeholders: other local agencies, school districts, emergency service providers, local businesses, utility service providers, adjacent neighborhoods and property owners, commuters, and City residents. Financial partners:

- ▣ Arapahoe County \$1.87 million plus an additional \$2.26 million for utility undergrounding
- ▣ City of Aurora \$500,000
- ▣ Southeast Metro Stormwater Authority (SEMSWA) \$561,000

◆ Why is the City leading this project?

- ◆ The majority of this stretch of Arapahoe Road is within the City of Centennial and is the City's responsibility. It would be irresponsible for the City not to address this safety and mobility deficiency.

Budget

◆ What is the budget for this project?

- ◆ \$15 million
 - ▣ Design and project management support: \$1.2 million
 - ▣ Construction and utility work: \$13.8 million
