

HELPING YOU GET MORE VALUE FOR YOUR HEALTH CARE DOLLAR

The right mix of health benefits – at the right price.

At Cigna, we care about your health. And your budget. The Cigna LocalPlus® IN plan gives you cost-efficient access to quality doctors, specialists and hospitals – right where you live.

How the plan works.

At the heart of the LocalPlus IN plan is a local network,¹ limited to doctors, specialists and hospitals right where you live.

How you can save:²

- In your local area, or when in any LocalPlus Network area, you must receive care from a health care professional or facility in this network to receive coverage.
- If you're away from home and need care, just look for a participating LocalPlus doctor in the area or if one isn't available, you can use doctors or hospitals in our Away From Home Care feature.
- If you choose to go outside the LocalPlus Network when one is available (or outside the Away From Home Care feature when LocalPlus isn't available), your care will not be covered by the plan (except in an emergency). You'll be responsible for the total cost of the services.

Get healthy. Stay healthy.

You'll also have access to wellness services and programs to help you stay on the path to good health, including:³

- Well visits, preventive care screenings and immunizations
- Sick visits, specialist, in-hospital and outpatient care
- 24-hour emergency care

We make it easy.

Cigna LocalPlus IN is a cost-efficient plan that's designed for when you're busy and on the go. Here are some of the many ways the LocalPlus IN plan can help you get more value for your health care dollar.

- The option to choose a primary care physician to help guide your care (it's recommended but not required)
- Access to Cigna's national network of labs, x-ray and radiology offices, and dialysis centers
- 75% potential savings through in-network national labs⁴ (LabCorp or Quest)
- You don't need a referral to see a specialist
- Nationwide in-network coverage in case of an emergency

24/7/365 service – personalized for you.

- Live customer service – with translation services available in over 150 languages
- Cigna 24-hour health information line – speak with a nurse
- Decision support tools on [myCigna.com](https://mycigna.com) and myCigna App⁵

Together, all the way.®

1. The LocalPlus Network is smaller than Cigna's national Open Access Plus (OAP) feature. In this plan, you have access to in-network benefits only from the health care professionals and facilities in the LocalPlus Network when in a LocalPlus Network service area. For a list of participating health care professionals and facilities, visit Cigna.com. For a paper directory, ask your employer.
2. You will be responsible to pay a deductible, any applicable copays, and/or a percentage of your covered in-network or out-of-network costs until you reach the out-of-pocket maximum.
3. Not all services are covered. For example, immunizations for travel are generally not covered. Other non-covered services/supplies may include any service or device that is not medically necessary or services/supplies that are unproven (experimental or investigational). Routine medical care received outside of the U.S. is generally not covered. You may need precertification for hospital stays and some types of outpatient care. Coverage is subject to your plan's deductible, copay or coinsurance requirements. For the specific coverage terms of your plan, refer to your plan documents.
4. Savings based on average in-network national lab costs compared to out-of-network labs using internal Cigna national claims data: DOS July 2013–June 2014. Savings will vary.
5. The downloading and use of the MyCigna Mobile App is subject to the terms and conditions of the App and the online stores from which it is downloaded. Standard mobile phone carrier and data usage charges apply.
6. This listing is not all inclusive. For a listing of doctors and facilities that participate in the LocalPlus Network, visit Cigna.com.
