This activity book was created to introduce children to an important part of our community, Code Compliance. Keeping our neighborhoods clean and blight-free is crucial in maintaining a desirable community for Centennial's current and potential residents. Increased property values, lower crime, and higher quality of life are all benefits of a good Code Compliance program.

Some of the types of code violations the Code Compliance Team handles are:

- Weeds and grass
- Trash and debris
- Stockpiling of materials
- Dumpsters
- Temporary signs
- Storage containers
- Fences
- Inoperable and junk vehicles
