

The City of Centennial shall not grant injury leave or worker's compensation coverage to an employee injured while performing the duties required by outside employment.

I understand and concur that my primary employment is with the City of Centennial and that the job assignments as specified in my job description and by my supervisor with the City of Centennial do at **all** times take precedence over any outside employment. I further understand that I may be subject to call at any time to perform City duties and that such City duties come before any job assignments associated with outside employment.
