

## COMMENT FORM

### Easter Pl. NTMP Traffic Calming Draft Plan

Residents are encouraged to read thoroughly the information presented in the accompanying letter and then provide comments for the Traffic Engineering Services (TES) team. Use this form if you want to mail in your comments. Visit the project webpage on the City's website if you want to submit your comments electronically. You are also encouraged to view the Meeting #2 presentation video on the website.

There are many combinations of traffic calming devices. After reviewing the Meeting #1 resident comments, conducting field visits, and taking into consideration the project budget, TES is providing you with four options. Each option is flexible. Select only ONE of the four options that most closely represents your preference and answer the questions only corresponding to your selected option then proceed to the Directions for Mail-in Method. Make sure to fill out your name and address on the last page.

- Option 1: Speed Humps (**only answer** Question 1).
- Option 2: Speed Humps + Medians/Curb Extensions (**only answer** Questions 2 and 3).
- Option 3: Speed Humps + Medians/Curb Extensions + White Edgeline Striping (**only answer** Questions 4 – 6).
- Option 4: Do Nothing (**only answer** Question 7).

#### Option 1: Speed Humps

1. Select your preferred speed hump combination. If desired, use the Comment line to suggest a different combination not listed. (Graphic A)
  - Speed humps at D and B
  - Speed humps at D and A
  - Speed humps at D and C
  - Speed humps at D, A, and C
