

COMMENT FORM

Fox Hill (S. Flanders Ct.) NTMP Traffic Calming Draft Plan

Residents are encouraged to read thoroughly the information presented in the accompanying letter and then provide comments for the Traffic Engineering Services (TES) team. Use this form if you want to mail in your comments. Visit the project webpage on the City's website if you want to submit your comments electronically. You are also encouraged to view the Meeting #2 presentation video on the website at centennialco.gov/NTMPFlanders.

There are many combinations of traffic calming devices. After reviewing the Meeting #1 resident comments, conducting field visits, and taking into consideration the project budget, TES is providing you with four options. Each option is flexible. Select only **ONE** of the four options that most closely represents your preference **and answer the questions only corresponding to your selected option**. Then proceed to the directions for the mail-in method. Please make sure to fill out your name and address on the last page.
