

DRAFT GOALS

April 30, 2021

Safety: Transportation-related fatalities and injuries are rare, and people feel safe walking, bicycling, driving, riding public transportation, or using a mobility device.

Flexible Mobility: People of all ages, abilities, and social identities have convenient and affordable mobility options and freedom of choice to use the travel mode that best meets their needs.

Innovation: Transportation infrastructure and policies prepare for mobility technologies that enhance the user experience and reduce transportation-related emissions and environmental impacts.

Fiscal Responsibility: Transportation infrastructure is designed and maintained to optimize public benefit, and investments leverage funding opportunities and demonstrate good stewardship of public funds.

Efficiency and Reliability: The transportation network is optimized to minimize congestion and offer reliable travel times for people traveling in and through Centennial.

Regionalism and Partnerships: Centennial is a leader in working with neighboring communities and regional partners to build cohesive regional networks for all modes of transportation.

Economic and Community Vitality: The City's streetscapes and transportation system support economic vitality, connect neighborhoods, and promote a vibrant community identity.
