

Emergency Home Repair

Financial Assistance Grant: Home Repair Services
for Low-to-Moderate Income Households

To support our most vulnerable residents, Arapahoe County partners with Brothers Redevelopment Inc., to provide a variety of home repair services at no cost for income-qualifying households.

Who is eligible?

- Households that meet Housing and Urban Development (HUD) income guidelines
- Households that can show proof of ownership and primary residence in Arapahoe County

How does it work?

Brothers Redevelopment Inc. conducts comprehensive eligibility screenings based on household size and income. Once a household is income-qualified, Brother's will complete an on-site assessment with the homeowner(s), determine appropriate work order/proposal and schedule the repair/replacement.

Additional free home repairs may be available:

- Furnaces
- Boilers
- Plumbing
- Hot water heaters
- Electrical and Gas
- Exterior painting
- Mobility accessibility improvements
