

SUB-CONTRACTOR LIST

A list of all Sub-Contractors is required for every permit issued and must be submitted prior to any scheduling inspections. The General Contractor is responsible for requiring and ensuring that all Sub-Contractors are licensed with the City of Centennial prior to allowing them to perform any work on a permit. Inspections will not be performed until all Sub-Contractors obtain the proper City of Centennial license. The City of Centennial Building Division must be notified by emailing the completed form to the Business License Division to buildingdivision@centennialco.gov Sub-Contractor License must be posted on-site with the building permit.
