

SHORT-TERM RENTAL PROGRAM

CENTENNIAL NEIGHBORLY-OWNER HANDOUT

Dear Neighbor,

Our home has been approved by the *City of Centennial* to be utilized as a short-term rental. The address of this home is Centennial, Colorado.

We are looking forward to providing families and visitors the opportunity to experience this part of Colorado but want our neighbors to have the contact information for a responsible party in case of emergency, available 24 hours a day, 7 days a week.

Attached, you will also find the *Centennial Neighborly-Renter Rules*. This document is required to be posted inside of our property in a prominent location at any time our residence is rented out. This information will be in addition to any and all documentation/rules established by us, (the owner) and the rental leasing contractor.

If you have any questions, please contact me directly.

Sincerely,
