

# Great Performances of 2014

City of Centennial

# A Message from our Mayor

Looking back, 2014 was an unprecedented year of outstanding performances for the City. We enjoyed spectacular community events in Centennial Center Park, celebrated business openings, ground breakings, enhanced services for residents and a vibrant economic climate in Centennial.

The City continues to rely on strong partnerships to deliver the best value of services to our citizens. I believe 2015 will be a year of innovative achievements filled with community pride.

None of these great performances would have been possible without the confidence of our community, strong leadership from the City Council and commitment of the City Manager and staff. It continues to be a privilege to serve you and make Centennial the best it can be.

I hope you are as proud as I am to be a part of this great City.

Sincerely,  
Cathy Noon  
Mayor

Vorry Moon

Keith Gardner

**THANK YOU TO  
DISTRICT 1 COUNCIL MEMBER  
VORRY MOON AND  
DISTRICT 2 COUNCIL MEMBER  
KEITH GARDNER FOR YOUR  
EIGHT YEARS\* OF SERVICE  
TO THE CITY OF CENTENNIAL.**

\*Both are term limited in 2015.

## Elected Officials

*Back row, L to R:*  
Council Members  
Ken Lucas, District 3; Mayor Pro Tem  
Mark Gotto, District 3;  
Mayor Cathy Noon;  
Keith Gardner, District 2;  
Stephanie Piko, District 4.

*Front row, L to R:*  
Council Members  
Vorry Moon, District 1;  
Kathy Turley, District 1;  
Doris Truhlar, District 2;  
Charles "C.J." Whelan, District 4.

Centennial has long been a leader in innovation, using a contract business model to stay lean and deliver the best quality services for our citizens.

# Innovation and Reputation

## USA TODAY NAMED CENTENNIAL #26 AMONG 50 BEST PLACES TO LIVE

Centennial ranked #26 among the 50 best places to live by USA Today. To determine America's best places to live, researchers reviewed the data of 550 areas with a population of 65,000 or more as measured by the U.S. Census Bureau. Rankings were determined by a number of variables, including crime rates, educational attainment and housing affordability. To make the list, cities also had to have positive employment growth and a low unemployment rate, as well as access to certain amenities.

## CITY OF CENTENNIAL AWARDED BLOOMBERG PHILANTHROPIES INNOVATION TEAM GRANT

Centennial was selected as one of 12 U.S. cities to participate in the \$45 million expansion of Bloomberg Philanthropies' Innovation Teams program. The i-team program aims to improve the capacity of cities to effectively design and implement new approaches that improve citizens' lives – relying on data, open innovation, and strong project and performance management to help cities address pressing urban challenges. Centennial will receive up to \$1.5 million throughout three years to create an i-team.

Innovation Teams function as in-house innovation consultants, moving from one city priority to the next.

## Best Place to Live

### CENTENNIAL RANKED #13 BY MONEY MAGAZINE AS BEST PLACE TO LIVE IN AMERICA

*Money* reporters visited Centennial to interview residents and get a glimpse into what the community had to offer. In addition to the data collected, the list considers all the qualities that draw residents to our City. Centennial's award-winning schools, beautiful parks and open space, accessible trails, high-tech business environment, growing job market, vibrant shopping and dining developments, and popular Centennial Center Park, make it a desired place to live.

Communities were ranked based on economic opportunity and jobs, housing affordability, education, crime, health, arts and leisure, ease of living and diversity. The rankings also take into account intangible factors, such as a sense of community.

Centennial debuted on the list at #47 in 2012.

Using Bloomberg Philanthropies' tested Innovation Delivery approach, i-teams help agency leaders and staff through a data-driven process to assess problems, generate responsive new interventions, develop partnerships, and deliver measurable results.

In Centennial, the new i-team will initially focus on improving mobility across all modes of transportation throughout the City. Some goals the City will address include applying new technologies and creative concepts to help improve traffic flow, reduce vehicle traffic congestion hours and related costs, improve pedestrian and bicycle safety – such as safe routes to schools – and so much more.

Innovation Team grants went to Albuquerque, NM; Boston, MA; Jersey City, NJ; Long Beach, CA; Los Angeles, CA; Mobile, AL; Minneapolis, MN; Peoria, IL; Rochester, NY; Seattle, WA; and Syracuse, NY; Jerusalem and Tel Aviv-Yafo, Israel.

## CONSULTANT SELECTED TO EXPLORE FIBER OPTIONS

In today's business environment, access to telecommunication services and ultra-fast broadband is a key priority when deciding where to locate new facilities. Technology is continuously evolving at a very rapid pace and it is important for the City of Centennial to be at the forefront of these technological improvements so our residents, institutions, and businesses have the ability to compete in a global environment. The City continues to investigate opportunities for Centennial to utilize its existing fiber optic infrastructure.

In 2014, the City hired a consultant to assist in finding these opportunities by taking a physical inventory of our existing conduit and fiber and implementing a public outreach process to establish current levels of service and identify realistic future needs of our citizens.

These efforts are a result of the approval of a ballot question in 2013, allowing the City to examine opportunities to partner with private sector providers to utilize publicly owned infrastructure to enhance telecommunications and Internet services for businesses and residents.

## CENTENNIAL BECOMES ONE OF 32 INAUGURAL PARTNER CITIES IN NATIONAL BROADBAND INITIATIVE

Next Century Cities is a new initiative of 32 cities nationwide joining together to recognize the importance of leveraging gigabit-level Internet to attract new businesses and create jobs, improve health care and education, and connect residents to new opportunities.

Participating cities will work with each other to learn about what works - and what doesn't - so that every community has access to information that can help them succeed.

# Live performances

Centennial Under the Stars laser light show

## Quality of Life

2014 was a year of spectacular community events in Centennial Center Park.

With an improved amphitheater we took our event performances up a notch with the Summer Blast Off event, Friday Film Fests, the 9th Annual Centennial Under the Stars and the Annual Holiday Lighting event.

The City also sponsored some great events throughout the summer that brought nearly 10,000 people to the Park.

Summer Blast Off

L-R: National Alliance for the Mentally Ill (NAMI) Walk; Smash Bash with Bret Michaels

L-R: Centennial Artisan and Farmers Markets; Libraries Rock; Colorado Freedom Memorial Concert.

# Bravo for Community **commitment**

## CENTENNIAL 101

In 2014, a new leadership program was established. Centennial 101 is a free program for Centennial citizens to learn more about their City. This class was so popular, two additional sessions were added for 2015.

## YOUTH COMMISSION

The Centennial Youth Commission is composed of 11 teens from the City ranging in age from 13 to 18 providing a voice for the City's youth.

In 2014, the Youth Commission recommended to City Council that vaporizers be prohibited for minors. Council agreed to this amendment, prohibiting possession by those under 18.

The Commission also raised money for school supplies for low-income children and distributed through the Littleton Public School and Cherry Creek School Foundations. CH2M HILL was a matching sponsor for this program.

In addition to raising money for school supplies, they volunteered their time at the City's annual Centennial Under the Stars event.

Service projects included packing medical supplies for Project C.U.R.E. and organizing a food drive through Project Share. Both the Senior Commission partnered to paint the house of an older Centennial resident during the Brothers Redevelopment "Paint-a-Thon".

Three outstanding youth were recognized with scholarships for service to the community and awarded the Centennial Youth Achievement Awards, sponsored by SAFEBuilt and the Youth Commission.

In 2014, the Youth Commission joined Youth Link, a State-wide Coalition of Youth Organizations.

(L-R) Council Member Kathy Turley (District 1), Council Member Doris Truhlar (District 2), Council Member Keith Gardner (District 2), Award recipient Claudia Kramer, Tom Pitchford (SAFEBuilt), Award recipient Paul Grewe, Mayor Cathy Noon, Award recipient Mary Kitsmiller, Council Member Stephanie Piko (District 4), Council Member Mark Gotto (District 3), Connor Piko (Centennial Youth Commission), Council Member C.J. Whelan (District 4), Mayor Pro Tem Ken Lucas (District 3).

## "PICTURE CENTENNIAL" AND CELEBRATE LOCAL ARTISTS!

Throughout 2014, the City showcased art from local artists in the Centennial Civic Center as part of the Picture Centennial program. Selected artists are featured in the Centennial Civic Center for three months.

### City Council celebrates local artists at Picture Centennial Events

Painting by Cathy Lester

## Seniors get in on the **action**

### SENIOR COMMISSION

The Centennial Senior Commission encourages senior citizen involvement in community issues.

In 2014, the Centennial Senior Commission hosted a housing panel providing seniors an opportunity to speak with experts in affordable housing, government housing and community housing.

The Commission developed and distributed two resource guides about civic and social engagement and transportation for seniors. They also published three "Senior Voice" editorials in multiple Senior publications.

### PLANNING FOR THE FUTURE

Throughout 2014, the Senior Commission worked with the Denver Regional Council of Governments (DRCOG) to launch the Boomer Bond initiative in 2015, which will gather important data related to seniors in our Community.

DRCOG's Boomer Bond is designed to assist local communities evaluate existing resources, programs and infrastructure for older adults. Results from this evaluation will help Centennial plan and create an age-friendly physical and social environment allowing older adults to remain in their homes and communities as long as they wish. (source: www.drcog.org)

In addition to the Boomer Bond, the Commission worked with the National Research Center and DRCOG to conduct a survey of the strengths and needs of Centennial's older adults. This survey, called the Community Assessment Survey for Older Adults (CASOA) is designed to provide a baseline of how the City of Centennial is serving older adult residents, to gauge older adult perceptions of the City and to make comparisons with peer cities. This survey will be released in 2015.

# Things to do, the place to be. Taking **center stage**

## 2014 Centennial Center Park by the numbers:

500 reservations

29, 837 people visited the Park as part of a reservation or event

Since opening in May 2012, there have been a total of 1,092 reservations

Since opening in May 2012, 64,033 people have visited the Park as part of a reservation or event

## CENTENNIAL CENTER PARK NAMED BEST PLAYGROUND IN 5280'S "TOP OF THE TOWN" ISSUE

Centennial Center Park was named the Editor's Choice for its "behemoth playground" in the sports and outdoors category featured in 5280 Magazine's "Top of the Town" issue. The annual Top of the Town list includes the very best people, places, and experiences in and around the Mile High City. The Top of the Town 2014 categories include dining, shopping, services, sports and outdoors and culture and nightlife.

## PARK IMPROVEMENTS

Centennial Center Park was enhanced with the construction of a performance platform cover in the amphitheater, just in time for last summer's film festival, events and concerts.

*Photo Courtesy of Eidos Architects*

The performance platform cover is designed to protect the performers from the sun and inclement weather and promote the area's mountain views. Other improvements to the Park included permanent electrical service to the amphitheater and overflow parking lot and a loading pathway from Peakview Ave.

for performance equipment. Shade structures were installed near the water play area to provide a cool spot to rest and watch the kids play. These improvements were funded with a portion of the City's share of voter approved Arapahoe County Open Space tax dollars and Colorado Lottery supported Conservation Trust Funds.

# environment in the spotlight

Centennial Council Members celebrated the completion of playground improvements at Peabody Elementary School.

## PARK DISTRICT PARTNERSHIPS

The City of Centennial awarded Arapahoe Park and Recreation District \$150,000 for five projects and South Suburban Parks and Recreation District received nearly \$700,000 for eight projects in the City.

## PLAYGROUND IMPROVEMENTS

City Council approved a funding agreement between the City and the Littleton Public School District for improvements to three neighborhood parks located at Sandburg, Peabody and Mark Twain Elementary Schools for \$225,000. Of that amount, \$25,000 was set aside as cash match for a Great Outdoors Colorado (GOCO) special opportunity grant.

In late 2014, Littleton Public Schools was awarded \$392,000 for two school playground projects at Highland Elementary School and Newton Middle School. These are scheduled for construction in 2015.

## CENTENNIAL LINK TRAIL

Students from Lois Lenski Elementary celebrate the completion of the 1.5 mile Centennial Link Trail located between University Boulevard, across deKoevend Park and near Colorado Boulevard and Orchard Avenue.

**CENTENNIAL APPROVES \$100,000 TAX EXEMPTION**

The City is committed to providing a business friendly community. In 2014, the Centennial City Council approved a \$100,000 exemption for the City's share of the Business Personal Property Tax. This exemption is at the highest level as compared to surrounding jurisdictions, which provide exemptions ranging from \$10,000 to \$20,000.

**ARROW ELECTRONICS**

Arrow Electronics, a Fortune 500 company relocated its headquarters to Centennial, bringing 500 employees to the City. This Fortune 500 Company leased a 128,000-square-foot building on the west side of I-25 off Dry Creek Road.

**VIEWHOUSE**

In 2014, Viewhouse opened its second Colorado location in Centennial. Viewhouse Centennial-DTC has 10,000 square feet of outdoor space including a rooftop patio with panoramic views of the front-range, an 8,000 square foot outdoor courtyard called "The Green" with volleyball, a putting green and fire pits.

ViewHouse Centennial-DTC is home to a 200" TV - the largest in a restaurant or bar in Colorado.

**THE JONES DISTRICT™**

The Jones District™ unveiled plans to transform 42 acres of undeveloped land in Centennial into a vibrant business and lifestyle center. The new planned community represents the City of Centennial's single largest commercial development as well as one of the City's largest undeveloped parcel of land under single ownership.

The Jones District™ will be developed into 1.8-million square feet of mixed-use 'Class A' space. The development is classified as a 'Transit Oriented District,' providing direct access to the Denver Light Rail system via the Dry Creek Station.

The Jones District™ is located west of I-25, just north of IKEA.

**(List based on employee numbers)**

**COMMERCIAL ZONING UPDATE**

The City began implementing the third and final phase of the new Land Development Code (LDC), known as the Commercial Zoning Update. The project involves a legislative rezoning of approximately 1,800 commercial properties to the new LDC, along with an update to the City's official zoning map. The new zoning map will be approved in 2015.

The primary purpose of the new code is to protect the character of existing residential neighborhoods, while at the same time making it easier for both residential and commercial property owners to improve their properties without expensive and time consuming processes. The new 2011 LDC ensures all new commercial development and redevelopment is done in a compatible and respectful manner, without the need to negotiate development standards or improvements on a case-by-case basis.

**BREAKING GROUND: TOPGOLF ANNOUNCES FIRST COLORADO LOCATION**

In 2014, Topgolf's first Colorado location broke ground in Centennial. The 65,000-square-foot facility is located at the northeast corner of South Havana Street and East Easter Avenue. Topgolf offers competitive golfing games for all ages and skill levels and advanced technology to track players' shots.

The new three-level location will include up to 3,000 square feet of private event space and 102 climate-controlled hitting bays that can host up to six players at one time. Topgolf Centennial is expected to serve approximately 450,000 visitors in its first year of operation, and is expected to open in 2015.

Centennial City Council and Topgolf executives celebrate groundbreaking of new facility.

Our economy is recovering from the downturn. The City remains debt free, maintains a high credit rating, and prides itself on doing economic development differently. We go after and achieve the unique and different such as IKEA, Viewhouse and Topgolf.

# Transportation: Setting the stage

## WACO TO HIMALAYA

Long identified as one of the City's most necessary transportation projects, the Arapahoe Road - Waco Street to Himalaya Way widening project made significant progress in 2014. Final design to widen the existing two-lane road to four and six lanes was nearly complete in 2014. The City conducted an extensive public outreach process that involved numerous public meetings, an open house, and one-on-one meetings with affected property owners. When complete, the project will remove the last remaining bottleneck on Arapahoe Road between Broadway and E-470.

The City of Centennial is collaborating with project partners Arapahoe County, Southeast Metro Stormwater Authority (SEMSWA) and the City of Aurora to increase capacity and improve safety and mobility through this segment of the corridor.

## ARAPAHOE/I-25

In partnership with the Colorado Department of Transportation (CDOT), Arapahoe County, the City of Greenwood Village, and the Southeast Public Improvement Metropolitan District, the City participated in the next phase for improvements to the I-25 and Arapahoe Road interchange. This project will replace the existing I-25 bridge over Arapahoe Road, and include other improvements to the interchange complex to reduce congestion and improve traffic operations and safety. In 2014, the design effort began and preliminary field investigation and data collection was performed. Construction is scheduled to start in early 2016 and be complete by December, 2017.

## C-470

The C-470 Corridor Coalition continued its public outreach in 2014 with a series of open houses and telephone town halls to discuss proposed improvements of the freeway and adding tolled Express Lanes. Construction is anticipated to begin in 2016.

Regional transportation remains a high priority within the City. Centennial is dedicated to providing a well-maintained street system to ensure safe mobility throughout Centennial.

## SNOW AND ICE:

Five additional snow plows were purchased in 2014 to enhance snow removal services allowing City crews to complete plowing operations faster. Centennial also purchased an Arctic Shark which is a piece of equipment that attaches to a front loader tractor to cut ice when needed.

## 2014 SNOW AND ICE MATERIALS USED:

59,345.5 miles plowed  
60.05 inches snowfall

## MATERIALS CONSUMED:

921.27 tons of salt  
2,916.42 tons of ice slicer  
38,135 gallons of Apex

## STREET REHABILITATION PROGRAM

The City's Street Rehabilitation program includes removing and replacing existing asphalt, replacing damaged concrete, application of crack sealant, and surface treatment, installation of pavement markings and final clean up after construction. In 2014, Council allocated \$7.05 million to the street rehab program to preserve City streets in "good"

condition. Throughout 2014 the following was completed as part of this program:

Total Program: 26.98 miles  
Mill and Overlay: 17.04 miles  
Reconstruction: .89 miles  
Surface Treatment: 9.05 miles  
Sweeping, nearly 10,400 miles

# City Services: Cutting-edge performance

The City of Centennial values transparency and accountability. It is important for the City to be smart in our decisions, efficient in what we do and strive to continuously improve our service quality to our citizens.

## CITIZEN RESPONSE CENTER

In 2014, the City of Centennial's Citizen Response Center (CRC) received a total of 20,021 calls. Ninety percent of these calls were answered within the standard of 2 minutes. The Citizen Response Center also handled 1,009 requests through the City website. Overall the CRC completed 19,844 work requests throughout the year. The Citizen Response Center is available 24/7 to respond to citizen concerns by calling 303-325-8000.

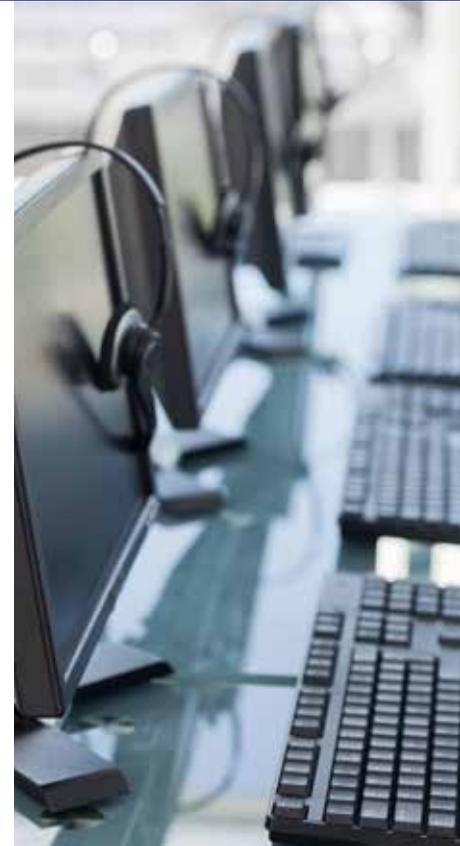

## MUNICIPAL COURT

Throughout the year, Municipal Court handled an average of 18,000 cases; 98 percent of these cases were closed prior to arraignment saving taxpayers money by having fewer court sessions.

Also e-citations were implemented in 2014, allowing tickets to be uploaded to the court software in real time, expediting the process and enabling tickets to be closed quickly. The Municipal Court handles a variety of minor violations, which include traffic penalties and animal, municipal and zoning code violations.

## PASSPORTS

Most people love to travel and we love helping to make that happen. The City of Centennial accepts passport applications, by appointment to provide people the option of not waiting in line elsewhere. In 2014, the City Clerk's Office processed 2,669 passport applications and took 1,161 passport photos.

## BUILDING SERVICES

Record-high number of building permits show strong remodeling and construction activity in the City. Building services completed all 27,097 of their site inspections the day after each inspection was requested.

The City issued 8,649 permits in 2014. Of these permits, a total of 36 were issued with an estimated value in excess of \$500,000 per permit. These 36 permits totaled more than \$81 million.

## BUILDING SERVICES ALSO:

- Completed 1,257 new plan reviews within deadlines.
- Issued 778 permits during Rapid Review Thursdays during which over-the counter permits are available from 10 a.m. to 3 p.m. on Thursdays.

## CODE COMPLIANCE

- Closed 922 cases
- Removed 3,171 illegally placed signs from the public right-of-way
- Abated 1,244 violations through voluntary compliance

Code Compliance resolved more than 85 percent of new cases with first contact.

## LIQUOR LICENSING

The City Clerk's Office currently administers, in partnership with the State Department of Revenue, 140 Liquor Licenses within the City, including 25 3.2 Beer License, nine Beer and Wine Licenses, two Brew Pub Licenses, 78 Hotel/Restaurant Licenses, seven Tavern Licenses, and 19 Retail Liquor Store Licenses. The City issued 15 new licenses in 2014.

## ANIMAL SERVICES

In 2014, Centennial Animal Services recorded its highest save rate to date with 99 percent of impounded animals being reunited with their owners or found new homes for animals that were not claimed. Animal Services enhanced operations with routine bike patrols in City parks throughout the summer. Discounted animal licensing was available during four community events.

# keeping us safe

The Arapahoe County Sheriff's Office continues to provide a full-range of public safety services and programs that include patrol services, investigations, school resource officers, traffic enforcement, crime prevention and emergency management. The City is also served by three fire districts: Cunningham, Littleton and South Metro.

## ARAPAHOE COUNTY SHERIFF'S OFFICE

The Arapahoe County Sheriff's Office firmly believes we can all learn from the tragedy of December 13, 2013 at Arapahoe High School. Since that day, the Arapahoe County Sheriff's Office has:

- Added a second School Resource Officer (SRO) at Arapahoe High School. (The City of Centennial contributed funding for this position.)
- Doubled the number of SRO's in service areas to provide more coverage at high schools, middle schools, elementary schools and private schools.
- Participated in the development of common response protocols for law enforcement agencies and the schools.
- Additional training in active shooter scenarios in the urban areas of Arapahoe County.
- Conducted security surveys of numerous schools in an attempt to assist them with design and response improvements.

## OUTSTANDING PERFORMANCES

Three Arapahoe County Sheriff's Office Deputies were recognized by the National Association of School Resource Officers (NASRO) for their actions during the shooting at Arapahoe High School.

## IN 2014, THE SHERIFF'S OFFICE:

- Responded to 48,740 calls
- Arrested 2,336 people
- Issued 17,372 traffic citations
- Made 29,202 traffic stops

## CUNNINGHAM FIRE PROTECTION DISTRICT

Cunningham Fire continued to provide high quality service in 2014. The District was acknowledged for excellent financial management by receiving the GFOA Award (Government Finance Officers Association), Distinguished Budget Presentation Award, Certificate of Achievement for Excellence in Financial Reporting, 2013 Comprehensive Annual Financial Report (CAFR) and general fund more than \$700,000 stronger than budgeted.

Major projects and expenditures included the acquisition of a new engine, battalion vehicle, purchase of additional safety equipment, the Jefferson/Arapahoe Coordinated CAD project, and a change in medical direction to the Centura Health Group.

## LITTLETON FIRE RESCUE

Littleton Fire Rescue provides fire and emergency medical services to the Littleton Fire Protection District which covers a portion of the City of Centennial.

In 2014, Littleton Fire Rescue responded to 14,163 calls for assistance, 2,973 were in the City of Centennial which is 21 percent of their total call volume.

## SOUTH METRO FIRE AUTHORITY

The Jefferson Arapahoe Consolidated Computer-Aided Dispatch (JACC), consolidated four emergency dispatch centers under one virtual digital umbrella to eliminate duplication of costs and help get better call routing and processing of 911 calls for faster response. All of Centennial's fire departments participate in this collaborative effort: training; sharing emergency response resources; and incident management coordination.

The project is funded by the Arapahoe County and Jefferson County 911 Authority Boards and serves 23 cities and more than one million people. The Arapahoe County E-911 Emergency Communications Service Authority Board recognized JACC as an example of best practices in good government and regional cooperation.

In 2014, plans to rebuild Station 31 at Orchard and Havana got underway. The rebuild is expected to be completed by the end of 2015. This station is located in Greenwood Village but serves Centennial as well.

South Metro's Finance Division was recognized by the Government Finance Officers Association for its 2013 Comprehensive Annual Financial Report, the highest form of recognition in the area of governmental accounting and financial reporting.

South Metro responded to 3,850 calls in 2014 in the City of Centennial.

# Community profile

Centennial was incorporated February 7, 2001. The vote to incorporate was approved by 77 percent September 12, 2000. At the time, it was the largest incorporation in U.S. history.

## OUR STATS:

Land Area: 29.4 square miles  
Population: 106,114  
Median age: 40 years  
Households: 38,514  
Average Household Income: \$102,592  
College Educated: 83.5 percent  
Bachelor's Degree or Higher: 54 percent
